**Section 2. Abatement of Taxes; Plan of Finance.** In accordance with the plan of financing for the Outstanding Bonds, it is intended and anticipated that funds from any lawful source, including a part of the net revenues received from the Water System, the Wastewater System and the Electric System, the receipts derived from the Stormwater Drainage Tax, the receipts derived from the general revenues for the Corporate Fund and/or any such other funds as the Corporate Authorities shall budget for such purpose, be transferred from time to time to the Debt Service Fund and used to abate the taxes levied for the Outstanding Bonds. The Corporate Authorities reserve the complete right and discretion not to use such funds to abate such taxes, provided, however, that unless otherwise directed by ordinance, the Village Comptroller is hereby directed to deposit such funds into the Debt Service Fund and such deposits shall be made prior to any such abatement being filed with the County Clerk. No taxes will be abated unless and until the proper amount of such abatement has been deposited irrevocably into the Debt Service Fund, and dedicated to the payment of such Outstanding Bonds.

With respect to such plan of financing for the Outstanding Bonds, the component parts of the Levied Taxes for the Bonds are allocated as follows:
